## New Cases of Polio Listed; Total Is Now 77

Two more Idahoans were reported with polio Saturday—two of them after being out of the state's "secondary" cases.

Director L. J. Peterson said a 6-week-old boy was withheld, had a mild case after being exposed to a child who contacted the disease after association with a vaccinated youngster. The case of this type in the current outbreak, which has boosted the year's total cases to 77.

He also was advised that Russell Reimer, 24, Nespelem, became ill Wednesday and developed paralysis Friday. Reimer's 8-year-old son was vaccinated April 10, Peterson said Reimer was at the Cottonwood hospital and might be moved to Lewiston.

Attendees at the Later-day Saints hospital, Idaho Falls, said a case reported from 18-day-old infant—Frank D. Sovick, 18-day-old—was reported from Idaho Falls.

Most of them said that the Salk polio vaccine is being prepared by the public health service and may be released about the middle of July, officials said Saturday night.

The report, officials said, will be why release of vaccine was held up and why some changes were made in testing regulations. It will also outline what "new evidence" was turned down for scientific discussions and studies recently.

No apparent connection with the reported mass vaccination program.

A survey of Lewiston and Clarkston physicians by the Lewiston Tribune showed that of nine out of 10 had faith in the "new and scientific basis" of the Salk anti-polio vaccine.

Most of them said the program should be re-started in Idaho "when the vaccine becomes available and has been thoroughly checked," but expressed concern over the current situation in the state. A majority said the trouble probably lay in a defective kind of vaccine.

The program has been postponed indefinitely, and Peterson says the continuing laboratory tests strengthen his belief that the vaccine was a contributing factor.

The chief reason is that although there are three types of polio virus, only one type has been isolated from specimens taken from 21 Idahoans. Normally, he says, virus of all three types would be found.

Resistance' Noted in Gas Firm Brief

Intermountain Gas company prepared a natural gas distribution rights in southern Idaho court Saturday, saying the public utility had shown "a strange resistance" to the commission's award of a certificate of necessity to Idaho Natural Gas company was "arbitrary and capricious," and asked the court to set aside the award.

Hope Is Held For Finish of Truck Strike

LOS ANGELES, June 4 (AP)—A federal conciliator said Saturday he has high hopes the long-haul truckers' fight will be coming by Monday.

Conciliator John Franklin said Saturday with representatives of the trucking industry and AFT truckers in an effort to reach a compromise in the dispute which has paralyzed the industry since May 10.

"Progress was made at last yesterday," he said, "and the settlement can be reached over the weekend."

The truckers are seeking a 10-cent hourly raise for drivers this year and eight cents for the rest of the crew.

The union attack threw trucking companies and the industry into confusion by shutting down operations in all parts of the country. The plant shut down in the Los Angeles area, the truckers' union said.

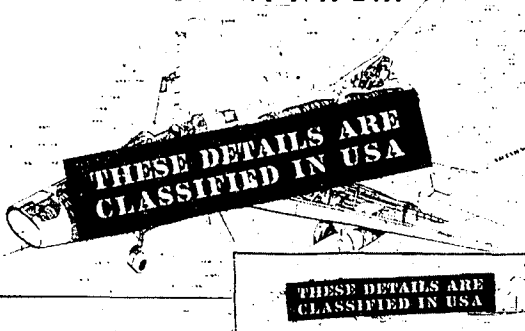

Giant Plane Makes Emergency Landing After 2 Motors Quit

DUPUY, June 4 (AP)—A giant C-124 military transport plane made an emergency landing at the airport here Friday evening after two of its four engines failed on take-off.

The plane, a C-124A, was en route from Fort Worth, Texas, to Los Angeles, Calif., when the trouble occurred. The plane was carrying 100 troops and cargo.

## But Others Know All

THESE DETAILS ARE CLASSIFIED IN USA

Details of the new, superfast F-100 Super Sabre are super secret in the United States. But these facts, as masked in an American magazine, were published in detail in a Japanese magazine in Washington, and are being investigated by Japanese officials.

Contributions Swell Total for Start of Harry Barry Memorial Park in T. F.

The Harry Barry Memorial Park fund drive was raised to \$1,517 Saturday by donations from several residents.

The drive is sponsored by the Twin Falls Rotary club to establish a park on the west side of Birch street between Wismann and Birch streets. The drive took \$5,000.

Donations received the past week included \$100 from a "friend of Mr. Barry," Ralph Barton, 420; William King, 410; Dr. H. W. Runk, 410; John Detweiler, 440; Mrs. Roy Van Horn, 440; Lynn Lake, 41; Supreme Foresters, Woodmen's Circle, 410; and Mark Q. Swan, 423.

The Rotary club selected the park as a project in memory of Mr. Barry, long-time resident and former member of the Twin Falls Rotary club.

Warberg said donations were being made to the fund at the offices of the Times-News or any of the three local radio stations. Donations also may be made to the superintendent of schools, Buhl, and all Rotary members.

English Strike Blocks Ships; Violence Eyed

LONDON, June 4 (AP)—British strike placards tied up four trans-Atlantic liners Saturday, including the New York-bound Mercantile. There was a hint of violence in the nation-wide rail strike continuing on Saturday.

Officials of a non-striking group at Blackpool said strikers had threatened their men if they could not run some of the T. S. trains still operating. Normally about 35,000 trains run daily.

Police Minister Eden planned to take a conference here on Saturday night. Alder said it would be for use of the emergency powers granted the government by Queen Elizabeth. Eden is expected to want that power to be used if the rail trouble continues.

Thousands are jobless in paralyzed industry as a result of the strike for higher wages by the Associated Society of Locomotive Engineers and Firemen, involving four-fifths of Britain's locomotive engine drivers.

The republication was the government's first use of drastic powers obtained in declaring a state of emergency earlier this week. A general statement stressed that the government would be used only where political conditions are in jeopardy.

Four Are Injured In 2-Car Collision

MOUNTAIN HOME, June 4 (AP)—Four persons were hospitalized here Saturday afternoon following a head-on collision on Highway 10.

Miss Edna Wilkins, 40, of Mountain Home, was killed. Miss Wilkins was driving a 1954 Ford. The other car was a 1954 Chevrolet driven by Miss Mary Ann Hamilton, 24, of Mountain Home.

McCarthy Flays Big Four Meets

McCARTEY, Wis., June 4 (AP)—Senator McCarthy flayed the big four conference of the United States Supreme Court Saturday, saying it was "a useless meeting" to decide on a "case" which was "not a case."

Not Opening

Not opening of the Twin Falls Chamber of Commerce is being held Saturday for the annual business meeting.

## Ford Rejects Union Offer, Prepares for Strikes on Monday

DETROIT, June 4 (AP)—The Ford Motor company Saturday night rejected a union proposal to resolve guaranteed wage differences through arbitration and said it is getting ready for an expected strike Monday. John S. Bugas, Ford's industrial relations vice president, complained that Ford was being singled out as the "CIO United Auto Workers" principal target as against the larger General Motors corporation.

Calling UAW President Walter Reuther's demands "unreasonable," Bugas, in effect, declared war and said a different "final and necessary preparation" for a Monday walkout.

Bugas said Ford had more than 140,000 employees and about \$25,000,000 in assets.

Bugas said Ford had more than 140,000 employees and about \$25,000,000 in assets.

Bugas said Ford had more than 140,000 employees and about \$25,000,000 in assets.

Bugas said Ford had more than 140,000 employees and about \$25,000,000 in assets.

## Specialized Doctors Assist in Surgery

While Dr. Charles D. Collins, left, keeps an eye on the flow of plasma, Dr. Lyle D. Wonderlich demonstrates techniques of anesthesiology at Magic Valley Memorial hospital. Gases which the anesthesiologist administers to the patient include oxygen, nitrous oxide, cyclopropane, ether and helium. (Staff photo—engraving)

## Anesthesiologist Added to Hospital's Team of Experts Caring for Patients

A medical specialty team at Twin Falls is the anesthesiologist. Until recently anesthesiology was administered almost exclusively by registered nurses under the direction of the operating surgeon. But as medical science progressed, it was found that many operations could not be performed because anesthetic techniques had not been sufficiently well developed.

In recognition of this problem, Magic Valley Memorial hospital now has two anesthesiologists on its staff. They are Dr. Lyle D. Wonderlich, who has been on the hospital staff for the past year, and Dr. Charles D. Collins, who was appointed to the staff only recently.

An anesthesiologist is not to be confused with an anesthetist. An anesthetist is usually a trained nurse. An anesthesiologist is a physician who specializes in anesthesiology.

Although he is on a hospital staff, the anesthesiologist has a private practice. He is called in on a case by a surgeon as a consultant. Because of his training, he is in an authoritative position to provide an air force.

Following a residency in anesthesiology at the veterans administration hospital in Denver, he accepted appointment at Magic Valley Memorial hospital.

Dr. Collins was born in Sioux Falls, S. D. in 1924. Graduating from high school in 1942, he studied pre-medicine at Augustana college, Sioux Falls, and the University of South Dakota.

Obtaining his medical degree from the University of Illinois in 1949, he served his internship at St. Luke's hospital, Denver, from 1949 to 1951. From 1951 to 1952 he served with

## Report Given on Shoshone Events

SHOSHONE, June 4—Mrs. Herb Law and Mrs. P. H. Dunmore attended the 40th PEO meeting at Coeur d'Alene. Melvin Kelly is spending a furlough visiting his parents, Mr. and Mrs. Lester Kelly, and relatives at Pocatello. Hazel Hall and Roberta Hall are visiting at Oakridge, Ore. Jack Hansen and Jerry Hansen, sons of Mr. and Mrs. Henry Hansen, Fairfield, Wash., are spending the summer with Mr. and Mrs. Jim Hansen. Pvt. Stephen Kelley is spending a furlough with his parents, Mr. and Mrs. Russell Kelley. He will leave Monday for Vietnam. Mrs. Quail Neher and daughters, DeAnn and Connie, and Mrs. Willie Stevenson visited at Salt Lake City this week.

The navy and from 1952 to 1953 was in general practice in Sioux Falls. From 1953 to 1955 he was a resident in anesthesiology at the University of Minnesota.

They point out there have been many changes in anesthesia in recent years. While ether, which has been known to surgeons for more than 150 years, is still widely used, it is only one of many drugs now used by the anesthesiologist. Others in common use include cyclopropane, curare, pentothal, avertin, trichlorethylene, spycaine, aural, pontocaine, chloroform, vinylene, ethyl chloride and acepromazine.

These drugs are used and so are the techniques of application. For instance, in many critical operations on the chest and abdomen the patient cannot breathe without interfering with the surgeon's work. It is the anesthesiologist's job to apply methods of artificial, positive pressure or assisted respiration. He provides oxygen directly into the lungs by inserting a rubber or plastic artificial airway down into the throat. By pressing and releasing a rubber balloon attached to the breathing tube, he can "breathe" for the patient.

According to the American Society of Anesthesiologists, the anesthesiologist is a specialized physician working side by side with the surgeon. Because of his qualifications, he is able to take full responsibility for anesthesia, leaving the surgeon to concentrate on the operation.

At the 25th summer season of concerts in Twin Falls is the municipal band. Its members are, first row, from left, from left, Dr. Orrin A. Fuller, director, Tom Moch, Charles Ratcliffe, Fred Olds, Richard Farmer, Paul Bowman, Brent J. Walter, Ronald Koford, George Becker, Tommy Ratcliffe, Ross Miller, Quinton Hamble, Jay Kircher, and Warberg, Glenn Terry, Al Daugherty, Judd Pettigrove, Homer Bertsch and Jack Thorpe. Not in the picture is James Kinney, second row, from left, Charles Allen, Paul Eastman, Donald Royler, Robert Williamson, Ray Peck, Donny. The first concert of the season is scheduled in the city park bandshell Thursday evening. (Dudley photo-staff engraving)

## Concert on Thursday Evening to Mark Municipal Band's Golden Anniversary

The municipal band, which has given 25 seasons of music to the city, will give its 25th anniversary concert on Thursday evening at 8 o'clock in the city park bandshell. The band, which was organized in 1904, is the oldest in the city.

Dr. Orrin A. Fuller, present director, has been with the organization since 1911. He entered the band as a high school student. He took over the directing chores in 1926. At first the band was financed entirely by contributions from Twin Falls merchants, who gave generously. But they could not finance the organization in the style in which it wished to become successful.

After about 20 years of financial difficulties, the state passed a law making it possible for the city to hold a bond election and vote on a mill levy. Income from this tax, passed in 1928, averages approximately \$2,000. The funds pay for the 12 summer seasons, uniforms, equipment and music.

Band members built the first concert stand in the park. In 1934 it was replaced by the present structure, built by the PWA for \$75,000. The first band stand, built in 1912, was financed by minstrel shows given by the group.

At the end of the season instruments, equipment and uniforms are stored in the band shell. Fuller takes charge of the music. Tonight for the year's concert begins in February and are conducted until June when the concert begins.

## Methodist Board Retains Chairman

HAGERMAN, June 4.—The regular meeting of the board of the Methodist church was held at the church Wednesday evening with Alfred Sandt in charge.

Sandt was re-elected to serve as chairman of the board and Albert Gregg was re-elected vice chairman. An outline on commissions for the year was studied and will be announced.

George Johnson, institutional representative to Boy Scout troop No. 15, reported the charter renewed. He told of some of the work of the Scouts, and announced the boys will sponsor a popcorn booth July 23 for Pioneer day. He also told of the plans of summer camp to be held in July.

## TOOF Lodge Has Election at Meet

HAYLEY, June 4.—Election of officers for the coming year was the principal business at the regular meeting of Odd Fellows Thursday evening.

Ray McCoy was named noble grand and Steven Rohay, vice grand. Appointive officers will be announced at the next regular meeting.

Plans were made for the annual party marking the anniversary of Odd Fellowship. The Valley Odd Fellows and Rebekah lodges will play hosts to the Bellevue and Kelchum lodges.

The Macarillo orchestra will furnish music for dancing at the party, which will be held at the Miners union hall.

## VISIT TWIN FALLS

## New Mail Service Explained by Aide

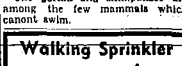

BUIH, June 4.—Buhl Postmaster J. Walter Hahn, in discussing the highway postoffice service to become effective here July 1, says delivery to Buhl from Twin Falls only once a day will be an improvement over previous methods for incoming mail.

He said if persons didn't know of the change in service they would not notice the difference. Mail carriers will leave the Buhl post-office at about 10:30 a.m. to deliver mail on their routes as before.

Hahn said bids for star route trucks should be forthcoming any day now and an ordinary pickup truck would not carry all Castleford, Buhl and Piler mail. He said it will take a ton and a half of ton truck.

The gorilla and chimpanzee are among the few mammals which cannot swim.

## Walking Sprinkler

## Crash Probed

JEROME, June 4.—Sheriff James B. Burns investigated a minor accident at 4:30 p.m. Thursday approximately two miles southeast of Jerome on the Barrymore road.

A 1934 Buick driven by Sharon Werner and owned by Arnold Werner hit the rear end of a 1940 Ford pickup truck belonging to James Keel, Sheriff Burns listed \$100 damages to the Werner car and no damage to the pickup.

## Boy Cut, Bruised When Hit by Car

Richard Hawkins, 12, 141 Blue Lakes boulevard south, incurred bruises and skin abrasions Friday afternoon when he was hit by a pickup truck at Five Points east.

Police said driver of the 1940 Chevrolet pickup was Richard Brice, 110 Third avenue south, an interpreter and applicant. She is in Burley at present.

## Attend Rites

HAGERMAN, June 4.—Mrs. Gloria Elorriaga, Mary Elorriaga and John Madarieta attended graduation exercises at Boise Junior college where Eloirriaga Elorriaga received her diploma. She started work for the U. S. health department this week and is assigned to the Southern Idaho and Eastern Oregon health unit, as interpreter and applicant. She is in Burley at present.

Police said driver of the 1940 Chevrolet pickup was Richard Brice, 110 Third avenue south, an interpreter and applicant. She is in Burley at present.

## Grange Helps Library Fund

HANSEN, June 4.—It was voted to make a contribution to the National Grange library fund Thursday evening at the regular meeting of the Hansen Grange. Remodeling work has started on the Grange hall, so date of the next meeting is indeterminate.

The home economics chairman will give the program at the next Pomona meeting June 11 at Pleasant Valley. The Pomona picnic will be held July 17 at Nat-Soo-Pah.

During the program, a quintet, Earl Barnes, Lester Naylor, Kenneth Naylor, Maurice Capps and Gordon Hill sang, "Quitting Party." Mrs. Gordon Hill and Mrs. L. S. Shalam gave readings. A skit, "Little Red Riding Hood," was given with Mrs. Hill, Mrs. Kenneth Naylor, Mrs. H. A. Furnwalt and Clarence Hollifield taking part. Mrs. Hollifield was narrator.

Mrs. J. R. Hall and Mr. and Mrs. Earl Barnes were hosts.

## Hansen Residents Report on Jaunts

HANSEN, July 4.—Mr. and Mrs. Lon S. McElroy and Mrs. Doris Drier, Arcadia, Calif., visited Mrs. Lenora Shobe and other cousins Thursday and Friday. This was the first time they had ever met.

Mrs. Lenora Shobe, accompanied by her daughters, Mrs. Tom Metzger and her daughter, and Mrs. Wayne Smith, attended graduation exercises for another daughter, Mrs. Della Terry. She received her bachelor's degree from Idaho State college at Pocatello. She plans to continue this fall to work toward her master's degree.

## Litterbugs Dumping Rubbish "Just Anyplace"

This collection of rubbish dumped on private land is cited as an example of what not to do by Sheriff James E. Carlson, left, and City Manager Joseph H. Latimore, right, during a tour of the dump. The dump is on public domain or private land, Twin Falls area residents, apparently some of the worst offenders, are being encouraged to use the sanitary landfill near Jostin field. The landfill is open every day and can be reached by following the signs on the airport road. (Staff photo-engraving)

## Times Change: Man Can't Shove Trash Out of His Cave in This Modern Age

There was a time, whenever rubbish and debris became a hazard around the home, all a man had to do was to kick the stuff out of the mouth of his cave.

But times have changed. Not only are there more people making rubbish now but there are many more things from which rubbish can be made. And the problem of what to do with the ever increasing mountain of junk is as difficult to dispose of as the junk itself.

No doubt some public officials could their minds be searched, might be of the opinion many persons still live in mental caves and that as soon as the pile of rubbish becomes too big to conveniently walk around, they kick it out, generally in someone else's yard.

In other words, there is considerable unauthorized dumping of trash and garbage along public highways and on private property.

Several weeks ago Jerome County Sheriff James E. Carlson spent a Sunday on federal land north of the Perrine Memorial bridge to investigate complaints he and other Jerome officials had received an unauthorized dumping there.

The day was not spent in vain and although the sheriff made no arrests he did take down the names of persons he caught using Uncle Sam's public domain as a dumping ground. The sheriff failed to most of the persons he prevented from dumping rubbish on the public land and learned there is considerable confusion among residents as to what to do with stuff they no longer want.

Twin Falls has regulations regarding disposal of rubbish but rural residents do have somewhat of a problem, officials report. And some communities in the area do not have

public dumping grounds for the convenience of residents. At least one community in the valley has a public dumping ground but it is closed to all but the community's authorized trash collector.

Investigation into unauthorized dumping of rubbish brought out some misunderstandings on the part of Twin Falls residents. Some residents have been under the impression they must haul their own refuse to the city landfill on the new airport road and others have been complaining that the landfill is not available to residents on the north side of the city.

City Manager Joseph H. Latimore said city haulers will collect refuse from city residents but non-residents will have to do their own hauling. The landfill is under the general supervision of Homer Ballenger, street and water superintendent, and under the direct supervision of John Renken. Renken is supposed to collect fees from individuals bringing rubbish to the fill. The fees are 50 cents per truckload and 25 cents per trailer load.

City residents are charged \$1 a month for garbage service, which includes the disposal of ashes, garden refuse and felled trees.

Another misunderstanding about the landfill is that it is closed on Sunday. Latimore said the fill is open on a seven-day basis each week and that persons do not have to dump garbage in the desert—and

feet and trimmed for easier handling. He said the city will not haul building materials, trees, dirt or sod from contract jobs. Contractors are responsible for such removal, he said.

Hot ashes and hot cinders will not be carried, he added. Latimore also pointed out that it

See that fine fat mountain yonder? You can iron it out, flat as a flounders ... and easy as whistling!

Just point one of Chevrolet's special hill-flatteners at it (either the 162-h.p. "Turbo-Fire V8" or the 180-h.p. "Super Turbo-Fire") ... and pull the trigger! Hrr-r-r-r-o-o-o-O-O-O-Mieter, you got you a flat mountain!

... At least it feels flat. For here an engineer that sing as sweetly as a dynamo ... built to pour out a torrent of pure, vibrationless power. Big-bore V8's with the shortest stroke in the industry.

So most of the time they loaf. Even at the speed limit they just dream along, purring out a fraction of their strength.

An engineer can understand why they are so hyperefficient. But you don't have to be an engineer to know that these are the sweetest running V8's you ever piloted. Just come in and try one out!

*(Optional at extra cost)*

**GLEN G. JENKINS**

Phone 707  
Twin Falls

is not necessary for city residents to burn trash, garbage, papers, etc. Such burning causes a nuisance and a fire hazard, he added.

In spite of these explicit instructions from the sanitation department, one of the men interviewed by Sheriff Burns several weeks ago said the city refuses to pick up sod, twigs, branches and dirt. Another said the city haulers are too particular about the type of containers they are willing to pick up.

He also complained that the city only picked up garbage once a week and that does get into containers in alleys, leaving the alleys "a mess." He said he often had to "re-sort" his refuse just to comply with the demands of the collector.

To this complaint Latimore says residents need not separate trash from garbage.

Dumping of refuse on federal land in the desert is permitted under certain circumstances, reports Jack Keith, district manager for the bureau of land management at Shoshone. In order to have federal land set aside for public dumping, however, an application for a site has to be made by a municipality or a farmer or other organization.

The city is aware of the provisions of the federal law in this respect but Latimore says the city does not have funds necessary to maintain a landfill operator on the north side of Snake river canyon in the area investigated by Sheriff Burns.

## "SPOT LIGHTING" IN THE HOME

Lighting is such an important subject in modern decorating that several columns can be written about it. It is as necessary as the colors in a room and the furniture itself.

Spot lighting has long been used on the stage, and for the last few years for the purpose of lighting pictures. The so-called "picture spot light" designates an objective lens like that used for showing lantern slides, and permits the light to be limited to an absolute edge of a picture, a dining room table or a bridge table, etc. Another form of spot lighting employs lens units which direct the light into the useful zone, and has the advantage of having soft edges of light. This can be built into a room by being recessed in the ceiling or even the wall. The light can be

controlled so as to be of any desired intensity and, what is more, of any desired shape (square, oval, etc.). The spotlight directed to a crystal chandelier can make it sparkle much more brilliantly than if it were itself lighted.

When a new house is being planned, it is a simple matter to also plan the installation of any of these lighting units. In the existing house the problem of providing light that will make rooms cheerful, restful and comfortable at the end of the day is not an involved one.

We would enjoy discussing your furniture and decorating problems with you. Drop in to

## Truman Says No Stumpings Unless Asked

OLIVELAND, O., June 4 (AP)—President Truman said last night he will not campaign in 1960 unless requested by the Democratic national committee but will support any presidential candidate selected by the national convention.

Mr. Truman indicated he will support unsuccessful 1952 Democratic candidate Adlai E. Stevenson for the nomination.

"Maybe I'll have some influence on the choice," the former chief executive said. He was in Cleveland to address a \$100-per-plate dinner to raise funds for the Truman Memorial library at Independence, Mo.

"Will a duck swim?" the 71-year-old former chief executive countered when a newsmen asked if he still favored Stevenson.

Adlai Comment

"Then he quickly added that 'I'm not going to do any campaigning... unless asked. I'm not going to stick my nose in unless I'm asked.'"

Mr. and Mrs. Truman attended the dinner Friday night which helped raise Ohio's share of funds necessary for construction of the library to house official papers and other memorabilia from his seven years in the White House.

Mr. Truman declined comment on most political questions, never mentioned politics and the campaign, but said earlier that "partisan politics might" be behind the confused anti-polio vaccine program.

**Tells of Polio**

"It has been the policy of this (Stevenson) administration to discredit anything that originated in the other two administrations," he said, referring to his own White House tenure and the three-plus terms of the late Franklin D. Roosevelt.

"The development of Salk vaccine started in the days of Dwight D. Eisenhower," he said, adding which, as you know, started with President Roosevelt," he said.

Mr. and Mrs. Truman were guests of Industrialist Cyrus E. Eaton, and visited his Aescia Farms at nearby Northfield Friday afternoon. Eaton announced at the dinner that the subscription had exceeded \$75,000.

## Thirst Kills Two In Sahara Area

LONDON, June 4 (AP)—Two British tourists died of thirst while trying to cross the Sahara desert in French West Africa last month, according to a diplomatic report released today. A third survived but was reported still hospitalized in serious condition from his ordeal.

A French military search party found Maurice Taylor, Chester, England, and Alan Cooper, Kenya, dead in their small English-made car less than 50 miles from the oasis town of Ouaderna, according to reports from the British consul at Dakar. The reports were released by the foreign office.

The third tourist, Peter Barnes, was picked up by an Algerian truck driver. The truck driver said he found Barnes wandering about almost unconscious from lack of water. The others, he said, were sitting in the car nearby and he ordered them to follow his truck. But somehow they lost contact, the report said.

## Shoshone Starts Recreation Plan

SHOSHONE, June 4—Thirty boys and seven girls turned out Thursday for the summer recreation program directed by Harold Tanaka for the city.

Croquet, softball and baseball games were started. The official plans are made to set up horseshoe equipment, table tennis, badminton and archery, Tanaka said.

As the weather improves more youths are expected to participate in the program and any interested are invited to attend. At least 12 more girls will be needed for a planned softball league.

Recreation hours are from 9 a.m. to noon at the recreation field.

## Visits Listed

## Gift Claimed by Death

NORTHAMPTON, Mass., June 4 (AP)—Jane Stewart, Washington, Pa., who will be graduated from Smith college on Monday, was a little puzzled Saturday when the jockeyman delivered a graduation gift.

It was from T. G. Pitch, president of the Washington Steel company and a family friend to her home town who sent this message: "You deserve the best that life can send."

The gift—a ton of ice—is slowly melting on a dormitory lawn.

## Resident of Filer Claimed by Death

FILER, June 4 (AP)—Charles E. Broad, 85, route 1, Filer, died at 1:30 a.m. Saturday at Magic Valley Memorial hospital following a long illness.

Mr. Broad was born on Perryville, Ind. March 15, 1870. He married Emma McCraig at Walla Walla, Wash., May 5, 1894. They came to the Twin Falls area in 1909 and homesteaded near Filer. He retired in 1945.

Surviving are his widow; two sons, Herbert Broad, Filer, and Leale Broad, Buhl; one daughter, Mrs. Fred Reichert, Filer; one brother, Claude Broad, San Diego; 15 grandchildren, and 19 great-grandchildren. Two sons preceded him in death. He was a member of the Filer Masonic lodge.

Funeral services will be held at 2 p.m. Monday at the Filer First Methodist church with the Rev. Grant Harvey officiating. Maconite rites will be conducted under the direction of Stanley Walter, worshipful master. All Masons are requested to report at the Filer Maconite hall at 1 p.m. Monday. Concluding rites will be held at the Filer 7000 cemetery under the direction of the Albertson funeral home, Buhl.

## 2 Darrah Brothers Differ on Details With Jailers in I. F.

By The Associated Press

The Darrah brothers were at odds Saturday with the latest of the jailers from whom they fled in a series of escapes. Another brother faced prison for trying to block their recapture earlier.

The jailbreakers—Wayne, 34, and Jack, 31—said a Bonnevill county deputy sheriff "needed and lauded" them into escaping from the county jail at Idaho Falls. Sheriff Dean E. Wilkie denied the charge.

At Gooding, Dist. Judge D. H. Sutphen sentenced William Darrah to five years in the Idaho penitentiary after Darrah pleaded guilty to obstructing an officer seeking to arrest Wayne who had just escaped.

The brothers were arrested on William's farm after the first of several escapes from jails at Salmon and Idaho Falls. They are held at Salmon for trial on grand larceny charges.

Under a 24-hour guard at Salmon the jailbreaking pair told newsmen Friday that Deputy Sheriff Frank Johnson had "needed and lauded" them to get out of the Idaho Falls jail.

"We decided then we would show them and we could get out of the jail," the said.

Wilkie countered that the rules and policies of his office were that prisoners were to be treated with "firmness and respect."

The cheerful, talkative brothers said "we think we can get out of any county jail. The only thing we can't get out of is a pair of handcuffs."

Wayne also declared "If I ever get out of this mess I'm going to California and start a new life."

The brothers said they hit jailer Fred Keifer with a mop handle before fleeing the Idaho Falls jail.

"Don't ever let anyone mislead you," Keifer commented. "They had an inch and a half water pipe they hit me with."

The Darrahs were recaptured in Lemhi county Tuesday night while roasting wieners on an island in the Salmon river near Salmon.

Wayne had escaped from jail in Salmon three times and Jack twice before the Idaho Falls break.

The brothers denied charges of stealing cars after breaking from the Bonnevill county institution. They are charged with grand larceny and jailbreak in Lemhi county and with jailbreak and assault in Bonnevill county.

Lemhi County Sheriff James Egge said the county's next step would await the arrival of Prosecuting Attorney Charles Herndon from Coeur d'Alene.

## Gets Swim Award

UNIVERSITY OF IDAHO, Moscow, June 4—Robert L. Ackert, 15, received the Arthur L. Swim award this year for having demonstrated creative scholarship and attainment throughout the breadth of his university career.

The award is a silver bowl presented by H. Dudley Swim in honor of his father, a former regent of the university.

## Payment of Bills Sought in Court

The Professional Adjustment Bureau filed three separate collection actions Friday in Twin Falls probate court against Ray Bell, Harold Stokesberry and Hako Haken.

Bell allegedly owes Dr. E. W. McBratney, Buhl, \$47 plus \$2.28 interest and Dr. Vera Anderson, Buhl, \$4 for professional services.

The complaint against Stokesberry says he owes Dr. Ivan Anderson and Dr. Carver, according to the complaint, for \$40 plus \$12.00 interest for professional services.

Attorney H. N. Jewell represents the bureau.

## Supervisor Quits

SEASIDE, June 4—At a meeting of the local ground observers corps Thursday night, Dr. Catherine Stapp resigned as supervisor.

Bernard Baker, Gooding, will appoint a new supervisor for the area before further organization.

## Clergyman Grasps Lasting Impression Here

place to live. But let's remember to count our many blessings, too. A fertile valley, many fine homes, a strong economy, a progressive spirit—these are but a few of the many fine flowers that grow in our garden today. Let's be thankful for the many good things we have, and then let's go to it to improve wherever we have opportunity.

The congregation feels that it would be able to have but the one service on June 12, when Pastor Mully has his farewell service and sermon. The school authorities were kind enough to allow us to use the gymnasium of the new high school, which the congregation has had for the past two years for the Christmas Eve program. There will be a Sunday service on June 12 held at 11 o'clock in the morning, and there is room enough to accommodate the entire congregation, and seat any visitors who might wish to attend. The service will be broadcast over KTFP.

There are so many things we would want to say and write in these last few days in Twin Falls. It has been a high privilege to be here, and we have enjoyed it so very much. We shall cherish these memories. And as we drive down the road next Sunday afternoon, June 12, toward Portland and the convention there, we shall look back once more with heavy heart after saying goodbye to so many wonderful folks. The many friends in and beyond the congregation will belong to our happiest memories of 10 blessed years in Magic Valley.

The congregation shall soon elect a pastor to assume the duties of senior pastor of the congregation, and the work will go on. We wish him the richest blessings of our Lord. We hope that his ministry in Twin Falls will be as happy and rewarding as the of your departing pastor and friend. Above all, we hope he will love the little children as much as we loved them, and be the little people who tug at the heart-strings when you wave goodbye.

Our new position will be that of assistant stewardship counselor of the Lutheran church—Missouri synod, with offices at the church headquarters in St. Louis. The work will take the pastor to all parts of the United States and Canada, in the department of stewardship. Meeting so many people, being in many cities and towns, we believe it will be interesting work. We shall wish ourselves back many times, back here where the quiet waters flow and the sunsets are lovely and old friends greet you and all is quiet and restful.

God bless a fine community and a lot of fine people!

R. C. MUEHL  
Pastor, Immanuel Lutheran Church,  
(Twin Falls)

# Needy Residents of County Receiving Free Medical Aid Through New Clinic

Seventeen indigent Twin Falls county residents have received free medical treatment and medication since the opening of a clinic held every other Wednesday in the physical therapy department of Magic Valley Memorial hospital, county physician.

The clinic, which has been in operation since the last week of April, affords needed care to county residents who are unable to pay for such treatment.

Previously, indigent patients would have had to travel to Ketchikan, where Dr. Kellogg, specialist in the field of physical therapy, is located. In some instances, patients would have to travel to the county while others did not. The arrangement was highly unsatisfactory, a hospital spokesman said.

The establishment of the clinic, which is another facility making the first or third Wednesday of each month, the patients must be cleared by the county commissioners who determine if the financial status warrants free medical care.

Dr. Kellogg says in certain instances patients who are able to pay for medical care have reported for treatment. These are weeded out by the commissioners, he says.

He concludes by saying that only indigent patients who definitely are unable to pay for medical care will receive treatment. "This is not meant to be a place where everyone may receive free treatment," he says.

# Uranium Millionaire in Utah Is Brother of T. F. Resident

Jack Turner, 37, who, according to a United Press release Friday, is a resident of 21 million dollars in uranium claims and mines, is a former resident of Twin Falls and a brother of Mrs. George Taylor, 236 Fourth avenue north.

Mrs. Taylor said Saturday her brother came to Twin Falls in 1945 after he was discharged from the army. She said he bought a truck and hauled hay and potatoes for a couple of years before going to California where he began working for an oil company.

The multi-millionaire now makes his home at Moab, Utah, the place of his birth. During his first year in the uranium business he made \$4,000. That was in 1948 and since then the money has just been rolling in, he says.

In 1952 he discovered one of the most valuable ore bodies in the whole uranium-rich region. He now owns some 1,000 claims, 15 to 20 operating mines and so many more non-operating mines.

# King Hill Events Listed by People

KING HILL, June 4—Bob Lawrence, leader of the Explorer Scouts, took his group to Barbours' restaurant Wednesday evening.

Mr. and Mrs. Vern Scott, Spokane, Wash., visited Mr. and Mrs. Terrell Foster Thursday afternoon.

Mrs. Eldon Gray and daughter, Meridith, visited Mrs. Cecil Bott and Mrs. Terrell Foster Thursday on route to Albion. Mrs. Gray is a former King Hill resident.

ATTENDING PARLEY. SHOSHONE, June 4.—Probate Judge Russell Thomas is attending a probate judge convention this week. He will be back at his office Monday.

# You Pay Nothing Extra For Sta-Nu

That's right... you can't buy the "like-new" feel and softness that our Sta-Nu finishing gives all your clothes! As a Sta-Nu Dry Cleaner we give it to you as a quality extra.

We are among the more than 2,000 better dry cleaners in all parts of the United States and Canada who have been selected to care for your clothes the Sta-Nu way... by replacing textile finishing agents lost through time and wear. The Sta-Nu Finishing Process is the final magic touch offered by expert dry cleaners who care enough to strive for perfection.

Send us just one garment... you'll be so pleased that you'll make it a happy habit!

## Legion Picks New Leaders At Area Meet

RICHFIELD, June 4.—Clifford Conner, Richfield, and Mrs. Theresa Davis, Fairfield, were elected fourth district American Legion commander and auxiliary president at the quarterly meeting and annual election Thursday evening in Richfield.

A social hour at the Pheasant club banquet in the school cafeteria, and meetings in the elementary school were events of the evening. Thomas Vaughn, banquet toastmaster, introduced Martin Hill, Idaho Falls, slate commander and principal speaker, who talked on Americanism. Other special guests and speakers included Sam Vance, Boise, state adjutant; Bud Marlowe, Boise, state service officer; Harry Horne, Dubois, executive committee member; and a few James, alternate committee member, and Elmer Terry, Shoshone, fourth district commander.

Mrs. James Powell, Richfield unit auxiliary president, introduced district auxiliary officers and past presidents, presenting convalesces to Mrs. Dean Hammond of Ketchikan, Mrs. Martin Hill, Mrs. Harry Horne, Mrs. Elmer Terry, Mrs. Orville Terry, and Mrs. Perry. Mrs. Florence Craig of Gooding and Mrs. Alice Hiof, Jerome.

Jerry Davis, Richfield, was elected fourth district adjutant. Cole, Gooding, vice commander; Richard Olesner, Fairfield, chaplain; Dean Hammond, Ketchikan, sergeant-at-arms; Elmer Terry, committee member.

The Legionnaires passed resolutions pertaining to veterans and amendments to the American Legion constitution. Halley was chosen district vice president, and Mrs. Allen Johnson, Gooding, historian. Mrs. Robert Conner, Richfield, acted as sergeant-at-arms during the meeting.

Mrs. Ace Wolverson, Richfield, was pianist for group singing at the banquet. Mrs. Donald Riley, Mrs. Ray Apple, and Mrs. Elmer Conner served on the decorating committee. Mrs. Hays Vaden and Mrs. Lester Johansen were in charge of the banquet.

## Shoshone Rotary Plans for Parley

SHOSHONE, June 4.—Plans were made to attend a meeting of the Jerome Rotary club on June 28 when local Rotarians met Wednesday noon.

The Jerome club will entertain the Gooding, Shoshone and Buhl clubs with golf in the afternoon, social hour at 7 p.m. and dinner at 8 p.m. The Shoshone club will not meet Wednesday that week because of the Jerome meeting.

Business reports were given by E. J. Bar and Mana Coffin, Rupert. Manning presided in the absence of Camden Meyer.

The club voted to continue its \$25 4-H short course scholarship through another year.

## LEGAL ADVERTISEMENTS

### NOTICE TO WARM TRACTOR

The University of Idaho College of Agriculture will purchase one new model 40 John Deere Tractor or its equal less the trade-in value of one 1944 Ford tractor at the Twin Falls Branch Experiment Station, Kimberly, Idaho. Complete specifications and instructions are available to all interested dealers.

For official bid forms and specifications interested dealers should write to Mr. L. C. Warner, Purchasing Agent, University of Idaho, room 100, Administration Office building, Moscow, Idaho, telephone number 3101.

The University reserves the right to refuse any bid and to award the bid which in its opinion is to the best interest of the University of Idaho.

Bids close June 8, 1950.

Signed: L. C. WARNER, Purchasing Agent, University of Idaho, Moscow, Idaho.

Published June 2, 3, 4, 1950.

## Tighter Credit Effect Is Cited Upon Building

SUN VALLEY, June 4.—The tightening of home mortgage credit now under way probably will be reflected in a lower volume of housing starts this fall, Norman Strunk, vice president of the United States Savings and Loan League, said today.

Addressing the Northwest Savings and Loan conference here, Strunk said that instead of 1,400,000 new housing starts predicted for 1935, the final total for the year likely will approximate 1,300,000.

"This still will be the second biggest home building year in history, exceeded only by 1926," he said.

Strunk said the tightening of credit in recent months has been the result of many factors, including action by the federal reserve board and less readily available mortgage funds growing out of the terrific loan volume of the last eight months. At the same time, he made it clear he saw no reason for serious concern or panic in the present home building picture.

W. W. Townsend, president of Townsend-Skinner company, New York City, the second speaker on the morning's program, said that the country can easily build more than a million homes in the next five years and sell them, but expressed concern about who is going to buy the old homes. It is up to the neighborhood savings and loan associations to help get rid of the oldest houses, tear them down and move those people into used houses left vacant by the people buying the new ones.

"If a start is made at the bottom," he said, "a slump clearance, a danger will be averted."

## Man Visits T. F. After 46 Years

Mr. and Mrs. John A. Comer, Oakland, Calif., stopped in Twin Falls Saturday on their way east. Comer, a former Twin Falls resident, was visiting here for the first time in 46 years.

A farmer and carpenter here from 1906 to about 1922 he helped grub sagebrush from the strips of land to be named Shoshone and Main streets.

Comer, farming southwest of town, had the first threshing machine in the area. He also helped put the sewage duct into Rock Creek canyon.

Asked about his impressions of the town, he said, "It is a wonderful place. Growing beyond recognition." He also said he felt it was the "bread basket of the western states" and that he would like to come back to live.

## Venue Change Is Denied by Judge

BURLEY, June 4.—Applications for changes of venue by R. B. Randall and H. B. Porter, both Twin Falls, who are charged with rustling, were denied here Saturday by District Judge R. W. Beckwith.

Trials of the two men on the charges will go ahead as scheduled. Randall's trial has been set for Monday and Porter's on Thursday.

The two men were arrested last September on complaints signed by Emmett Crystal, Albion, who charged them with stealing two Hereford heifers.

## Cleaners Feted

WASHINGTON, June 4 (AP).—One of Washington's fanciest neighborhoods gave its annual party for street cleaners today—a lawn party with ice cream, soft drinks and cookies.

The Georgetown Progressive Citizens association said it puts on the affair because "the ash, trash and garden people always get recognition or thanks of some sort at Christmas, but these people never do."

## 103 Water Loans Reported in Area

SHOSHONE, June 4.—There have been 103 water loans in Blaine, Gooding and Lincoln counties by the Farmers Home Administration, reports Oakley L. Bernard, county supervisor.

Of the 103 loans, only four active associations and 21 farmers and irrigation loans are not completely paid out.

The loans are for soil and water conservation purposes and must be for practices that are in line with soil conservation and extension service.

The number of visitors to the United Nations buildings in New York City is increasing rapidly with the number approaching 6,000 on peak days.

## Woman Fined

SHOSHONE, June 4.—A \$5 fine and \$3 court costs were assessed Wednesday. Shoshone, by Justice of the Peace Frank Dico Thursday for her failure to stop for a red flag light at a road block on highway 53 alternate east of Carey. The deputy sheriff at Arco made the arrest.

## Theft Techniques Taught by Father

CHICAGO, June 4 (AP).—Police today held a modern-day Fagin who admitted teaching his two teen-agers to be "real burglars" when they returned with only candy and cigarettes from a grocery they looted.

John R. Peterson, 41, unemployed, was arrested last night after being implicated in the robbery by his sons, Walter, 15, and John Jr., 16.

The boys were seized earlier when police got reports that they were selling cigarettes to fellow students at the Heart school.

One cubic mile of sea water contains more than 12 billion pounds of magnesium.

## Service Planned For Mrs. Grimm

Funeral services will be held at 2 p.m. Tuesday at the Twin Falls mortuary chapel for Mrs. Katharine Audrey Grimm. The Rev. W. A. MacArthur will officiate.

Mrs. Grimm, 61, died at 3:45 p.m. Friday at the Magic Valley Memorial hospital following an extended illness. She had resided in Twin Falls since 1918.

Born May 30, 1894, at Unionville, Mo., Mrs. Grimm was married to Truman A. Grimm on Jan. 5, 1911, at Humphreys, Mo. In Missouri she was a member of the Christian church.

Besides her husband, survivors include five sons, Victor and Bill Grimm, both Twin Falls; Earl Grimm, Hansen; Orlean Grimm, Rupert; and James Grimm, Buhl; and six daughters, Wilma Grimm, Nampa; Mrs. Lora Marrs, Twin Falls; Mrs. Maxine Huddleston, Boise; Mrs. Virginia Kincaid, Hazelton; Mrs. Elsie Kaegle, Upland.

## Field Trips Set

Field trips to four Magic Valley towns will be made this week by Lloyd C. Young, Twin Falls social security administration manager. The trips are made to explain social security and public assistance benefits to claimants.

Young will be available at the Burley employment office from 1 to 4:30 p.m. Tuesday and at the Gooding courthouse from 10:30 a.m. to noon Wednesday.

On Friday he will be at the Shoshone postoffice from 9:30 a.m. to 10:30 a.m. and the Hailey public assistance office from 2 to 4 p.m.

## DIETRIKH VISITORS

DIETRICH, June 4.—Mr. and Mrs. Jack Orr, Kelsey, Alberta, Canada, are visiting Mr. and Mrs. Charles Orr and Mr. and Mrs. Charles Orr, Jr.

Calif., and Mrs. Audrey Romulus, Denver, and 20 grandchildren. Final services will be held in Sunset Memorial park.

### Baby's Death Reported for Second Time

HOUSTON, June 4 (AP)—Miracle Ann, a 30-ounce premature baby who showed her first signs of life after being taken to a funeral parlor, was pronounced dead Saturday for the second time within 30 hours.

"I feel just like a man who's been kicked, got up and was knocked down again," said the sorrowing father, Mark Dupree, after a deputy sheriff awakened him at home at 4:30 a.m. and gently broke the news.

The tiny girl died an air minutes before midnight in a six lock, a breathing device similar to an iron lung.

**Lungs Undeveloped**

Dr. M. Desmond, in charge of the premature nursery at City-County hospital, said the probable cause of death was that the lungs were not fully developed.

"They just aren't anatomically able to take up oxygen," he said. An autopsy which delivered the three months premature infant saw no sign of life and pronounced her dead shortly after birth Thursday night.

"We removed the mucus from the baby's respiratory passages, and when the baby still did not respond, we gave it artificial respiration," said Dr. Robert Kelly. When that failed, he said a stimulant was given.

**Worked on Tot**

"We worked on the baby at least an hour. We never got a heart beat," Mortician J. J. Robert Corry saw the baby breathe as he started to embalm it, about two hours after it was brought to his funeral home. An ambulance driver sped the infant to the hospital.

Dr. Kelly said handling by funeral home attendants and the trip to the mortuary "apparently acted as stimulus" for the baby.

**Gave the Name**

Mrs. Dupree, mother of two other children, called the little girl Miracle Ann after she was told the baby was alive.

"It was God's will," she said. "I can only describe it as a miracle."

Dupree told his wife the child had been pronounced dead again.

### Elko Is Seeking New City Official

ELKO, Nev., June 4 (AP)—The city of Elko is looking for a new city manager. Allen B. Carter, resigned the position Thursday night in the aftermath of the city election. He had been city manager since 1946, and submitted his resignation as soon as a new mayor and city council took office. It was promptly accepted.

The council named building inspector Henry Eichenbender to fill the vacancy temporarily.

Carter was a major issue in the election. The new mayor, Frank Williams, had campaigned on a platform calling for Carter's dismissal, while the defeated veteran mayor, David Dotto, had supported him.

### Ballot Postponed

HAILLEY, June 4—Blaine county post No. 24, American Legion, voted to postpone election of officers until next Thursday evening.

This decision was reached because so many members are at national guard camp.

Routine business was conducted and a Dutch lunch served.

### Baby Died

Sent into this world scarce half made up, some four months before her time, this unnamed daughter of Mr. and Mrs. M. C. Dupree, Houston, Tex., was put in an incubator after the attending physician at her birth pronounced her dead and an alert funeral home attendant saw the baby move and called a physician. An unidentified nurse kept a close watch over the child, who died Saturday. (AP wirephoto)

### Ex-Prisoners Report Yanks Held by Reds

VIENNA, Austria, June 4 (AP)—Austrian war prisoners returning from long Russian captivity said today they saw "many" Americans in Soviet slave camps.

The Austrians said the Americans included at least four U. S. air force fliers.

**May Now Be Dead**

One returned said some of the Americans may now be dead. He said they tried unsuccessfully to bring out an airplane of a group of American fliers a few days ago.

A trainload of 250 Austrians and "ethnic Germans"—those of German background—reached freedom in Austria today at dawn after serving Soviet prison terms dating back to early World War II.

"They were the first big batch of prisoners to be freed by the Russians under terms of the newly signed Austrian state treaty."

**Tells of Pictures**

An ethnic German, captured while fighting with Adolf Hitler's forces during the war, said he met and got photographs of four U. S. airmen in 1948 at a slave labor camp in the Karaganda region some 1,400 miles southeast of Moscow.

The German could not identify any of the four Americans except to say that one was named William and another John.

"They were in good condition when I saw them at Karaganda in 1948 but they might be dead by now," the German said.

### Dishonest

HOBOKEN, N. J., June 4 (AP)—City officials today began rounding up all of the fancy badges handed out to civil defense auxiliary policemen.

They said some of the auxiliary policemen apparently were using the badges to gain free admission to the movies.

### Visits Reported

SHOSHONE, June 4—Mrs. J. Day and Mrs. C. J. Brennan, Port and Ore, are here on business.

Pet. Francis Stachowicz is spending a furlough here. He will go to San Francisco to attend school.

### Top Honors Won For Dairy Event

Double B 4-H club won top honors in the judging contest at the spring dairy show for club members.

The three top winners were Jim Johnston, Robin Hovenden and Bobbie Alworth, all Twin Falls.

Johnston was the fourth top individual winner of all 4-H members in the contest.

The winners were presented medals Wednesday night during a regular meeting of the club at the home of Jim and Pete Johnston.

The next meeting of the Double B club will be held June 15 at the home of Norman Schmitzer.

### Pharmacy Board Names Chairman

POCAHELLO, June 4 (AP)—The three members of the Idaho state board of pharmacy Friday elected member Ed Knopp, St. Maries, Idaho, their chairman following a two-day meeting at Idaho State college here.

Other members of the board are Floyd H. Wheeler, Nampa, vice president, and member S. L. Crowley, Twin Falls.

The board conducted state examinations for 29 1950 graduates and for 18 of the schools 1954 pharmacy graduates back for their practical exams.

### Attend Services

KING HILL, June 4—Several out-of-town relatives attended the funeral of Letoy Trowbridge Thursday.

They included Mr. and Mrs. Albert Williams, Seattle; Mr. and Mrs. Rodney Froward, Brentwood, Calif.; Mr. and Mrs. Dick Brown, Monrovia, Calif.; Mr. and Mrs. C. Ward Armstrong, Moscow, and Mrs. Pays Legg, Redlands, Calif.

**Blood Drawn  
In Burley for  
Donor Drive**

BURLEY, June 4—The Red Cross bloodmobile collected 128 pints of blood in Burley Wednesday afternoon. Mrs. Jack Holland, Cassia county blood procurement chairman, was in charge.

Advance calls were made by Mrs. O. E. Meacham, Mrs. Reta Payne, Mrs. Bob Detmers, Mrs. Kenneth Henderson, Mrs. J. I. Price, Mrs. E. Corinne Terhune, Ellen Male Oberholtzer, Mrs. Ruth Marshall, Mrs. George Elkins, Mrs. George Scholer and Mrs. D. C. Fullmer, Soroptimists, to arrange appointments.

Registered nurses who handled preliminary tests of applicants were Mrs. Con Annett, Mrs. Ben Danale, Jennie Taylor and Mrs. Mildred Nielson. Mrs. Jim Lynch served as receptionist. Mrs. Calvin Lowe and Mrs. Bob Hanson took care of clerical work.

Mrs. William Morgan served as a nurse's aid. Also serving as nurse's aids were members of the Beta Sigma Phi sorority, including Mrs. Ben Sprague, Mrs. J. D. Layton, Mrs. Bill Mathews and Mrs. Jim Erickson. A refreshment canteen for blood donors was handled by Beta Sigma Phi members. Mrs. Glen Thurston, Mrs. LeMay Nielson, Mrs. Maxine Nussagen and Mrs. Cheryl Wilson.

Several people have been awarded pins for contributing a gallon of blood. Pins were given to Dr. J. R. Kircher, Stewart Jordan, Junior Bow, Jacob Kershnik, Keith Amende, Jack Snow, Arthur Frahm, Alfred Wootenbush, Cecil Wolf, Max Critchfield, Frances Kershnik, T. J. Bedam, Mrs. George Keaton, Donald Macrae and Mrs. Loren Lewis.

**Blood Collected  
For Red Cross**

RUPERT, June 4—Ninety-seven pints of blood were collected by the bloodmobile in Rupert Thursday. Mrs. W. O. Hunter, county drive chairman, reports. One hundred and eight donors were registered.

Of blood collected in 1944 and 1945, approximately half was used in Minidoka county to replace blood for county residents who were undergoing treatment in other hospitals.

Mrs. Bailey Dixon, Mrs. Marian Withers and Donald Dunn became members of the "gallon club." Eighteen new donors were signed up.

Mrs. Carl Huntington, Mrs. Mary Ellen Carlson and Mrs. Frank Ino were nurses assisting Thursday. Receptionists were Mrs. Tom Smith, Mrs. D. O. Trew and Mrs. R. D. Armstrong. Mrs. Bob Snapp, Mrs. Wayne Hollenbeck, Willis Hunter, Mrs. W. J. Paul and Mrs. J. P. Craven were typists.

**Agent Sought**

DISTRICT, June 4—The District Orange has decided to ask the Lincoln county commissioners to hire a home demonstration agent for the county.

Mrs. Ed Edwards and Mrs. Delbert Hallen will be in charge of the program at the Orange meeting on June 15.

**Divorce Filed**

BURLEY, June 4—A divorce action against Jack K. Flynn has been started by Viola Flynn. They were married Nov. 16, 1931, in Elko, Nev. Mrs. Flynn charges mental and physical cruelty. There are two minor children.

Mrs. Flynn asks \$35 a month support for each child and sole custody of the children. She is requesting \$50 a week support for herself and the children while the divorce action is pending. She also requests that Flynn be ordered to pay attorney's fees of \$100. J. I. Burgess is attorney for Mrs. Flynn.

**Arrangements Are Started for  
Cassia County Fair and Rodeo**

BURLEY, June 4—The Cassia county fair board has started arrangements for the 1955 fair and rodeo, Aug. 18, 19 and 20.

William Beck, president, has announced committee assignments for the fair. They include Charles Haight, commercial displays and commercial concessions; Glenn Boddy, fair exhibits and entries, assisted by Marjorie Gillespie, county home demonstration agent; Irvin H. Harris, tickets and payment of prizes and premiums; Tuff Matthews, Oakley, rodeo, assisted by Bob Wake and Joe Carlson; Joe Carlson, Albion, afternoon programs, assisted by Bob Wake.

A grounds and building superintendent was hired this week to get the fair grounds prepared. Permission was granted to the Ladies' Riding club to use the arena every Sunday afternoon for practice. Permission also was given the Cassia County Mounted Sheriff's posse to use the arena every Thursday night.

A contract for printing the 1955 souvenir programs also has been let. The Burley Lions club will sponsor the souvenir programs and will handle their sale.

Rodeo stock will be furnished by Harley Tucker, Joseph, Ore., Monte Young's rides and shows will furnish the carnival. The 1955 queen of the fair and rodeo is Helen Hill, Malia. Queen's attendants are Darlene Greenwell Burley, and Sherrel Taylor, Alm.

# AS YOUR MINISTER SEES IT

By FLOYD B. MCCARTHY  
Pastor, Valley Christian Church

One of the most important reasons for belonging to the church, the body of Christ, is church friends. Their influence on all of life is so great that everyone would agree that the world is a better place because of the church. There is a difference between the church and the world. The church is the body of Christ, which means that it is the community of those who are united with Christ by faith and baptism. The church is the body of Christ, which means that it is the community of those who are united with Christ by faith and baptism.

"Church Friendships"

between these two views is a sure, lowed expression and equal opportunity of expression for they are God's children and precious persons, too.

In this we are sure to be opposed by those who wish to dominate or dictate and they will be formidable. But our church friends who believe in the law of love will support and sustain us so that the group might be known as the church who ministers to the weak, the minority, the sinner, and to the outcast.

This may mean that the only friendly group left for us to associate with will be the community of Christ or our friends in the church. This is when we realize the real worth of our Christian association.

In conclusion, our church friends and Christian relationships help us to maintain high ideals when we are away from home. First, after churches give us fellowship and nurture, but even more important than this the love we bear our friends at home and the love we bear our God, will not allow us to disappoint even when tempted by the ways of sin. We will have nothing to do with second-rate activities because we would be letting down their stature as Christians. Friends sustain us even though we are far away. Church friends are important and their influence is ever with us to the glory of God.

The church folk of a community most speak out to keep some of the important practices of the world from becoming law in their community. Often people on the street will say what business is it of the church if I want to drink? and the answer, of course, is that Jesus put great emphasis on the value of individual personality and was opposed to anything that cheapened personality or destroyed personality.

Those who drink impair their reason, and therefore injure temporarily or permanently their personality. Because of our real concern for the conservation of our people, we oppose this practice.

The way of Christ is the way of love and concern for every man. The way of the world is primarily the way of selfishness. Because of this, the world through hate, may try to intimidate and enslave many or large segments of the world. This means that the world will come into direct conflict with the way of Christ, and we of the church should take a stand against this unfair use of superior power or force to protect the weak.

We must insist that the frail or weak or minority in a group be heard and considered. These who are being beaten down must be helped.

## Plea Is Entered In Mishap Case

GOODING, June 4.—Joseph Martinez, 22, Buhl, pleaded innocent when arraigned in probate court Wednesday on a charge of failure to report an accident.

Probate Judge James P. Gonsell set 9:30 a. m. June 13 as the time for jury trial. May and May, Twin Falls, will represent Martinez. A bond of \$100 was posted.

Martinez was cited by Deputy Sheriff Don Burns for failure to report an accident at 6:30 p. m. Sunday three miles southeast of Buhl on the Bliss grade. He was driving a 1953 Buick owned by Arnold Fairchild. The car hit a guard rail as the right rear tire blew out. Damage to the car was estimated at \$300.

## People in Jerome Travel, Entertain

Jerome, June 4.—Probate Judge Theron M. Ward is attending a probate judges' convention in Preston.

Mr. and Mrs. Thomas P. Mahan are attending a CPA convention in McCall.

Mr. and Mrs. A. B. Wall, Nampa, former residents, have been visiting friends in Jerome and Shoshone.

Rosemary Hof has returned from Denver, Colo., where she has been a student at Loreto Heights college.

## Straw Ballot Favors Two High Schools

HAILEY, June 4.—The majority of persons who cast ballots in the straw vote in Blaine county on the future schools favor two high schools—one at Carey and the other at Buhl.

For the vote, 1,500 ballots were mailed a month ago by the school finding committee for the county. Up to Tuesday approximately 750 had been returned. Of those who voted, 475 favored the one school plan.

Based on the straw vote, the program would cost approximately \$500,000 and would need a levy of 3 1/2 mills to retire. The plan calls for a new gymnasium and six new elementary classrooms at Carey, four new elementary classrooms and some remodeling at Bellevue, and two new classrooms at Ketchum.

Of the total vote cast, 148 favored a central high school. This plan was defeated in a 1954 election last year. Forty-two persons voted to continue the present high schools at Bellevue, Hailey and Carey and to remodel the elementary schools at Hailey, Bellevue and Carey.

Forty persons voted to maintain the present schools with no improvements.

## Vehicles Collide

GOODING, June 4.—Denny L. Daines, 15, Gooding, driving a 1940 Plymouth, sideswiped a parked car belonging to Mrs. Roy McCoy on Montana street at 2:15 a. m. Thursday.

Daines reported to Police Chief One Floyd that he was started to pick up something from the front seat of his car—he hit the McCoy automobile. Damage was listed as \$10 to the Plymouth and \$50 to Mrs. McCoy's 1950 Nash.

## Work Described

BUHL, June 4.—The operation of the sanitarium and rehabilitation of alcoholics were described by Carl G. Johnson, business manager of Shadels of Idaho, Wendell, at the Buhl Rotary club meeting Thursday night at the B and R cafe.

Visiting Rotarians were Charles Daugherty, Twin Falls, and Fred Brailford, Buhl.

# Wheat Prices PRESSED DOWN By June Bear

CHICAGO, June 4 (AP)—The usual June bear started to make his appearance today on the wheat market. The board of trade was the scene of the week for 1 1/2 to 2% lower. It isn't unusual for wheat prices to decline in June, often carrying over other grains down with them. All other grains except soybeans weakened during the week. Soybeans scored a small fractional advance in the fifth week in a row as they rose one cent to 1.15.

corn finished the week 2 1/2 to 3% lower, oats 1 1/2 to 2% lower, rye unchanged to 1/4 higher, soybeans 2 1/2 to 4% lower and hard red 42 to 44 hundred pounds lower.

The reason why June often is a bearish month for wheat is because it heralds the movement of the new wheat crop to market in the southwest.

A feature of the week for the wheat trader was a wide difference of opinion concerning the effect of the rain in the crop in the former drought area of the southwest.

The Santa Fe railway said there had been "a little improvement" in wheat and the weekly weather bureau report said "practically all the eastern two-thirds of the country, including the western Great Plains, had been in the hands of the rain."

But M. L. Galt, of the Du Pont came to a winter wheat production estimate, based on the rainfall, of 1,200,000 bushels. Instead of being up from a month earlier, this was down from Galt's May 1 estimate of 1,300,000. The government estimate is 1,250,000 as of May 1.

"Our reports very clearly indicated that there had been an additional abandonment during the month of May," Galt said, "as well as permanent crop damage that should be repaired by moisture that arrived at late in the season as it did."

This puzzling discrepancy among the experts may be resolved, at least to the extent that it can be resolved, with the release of the government's June 1 estimate Friday.

# Stocks Reach Within Shade Of Top Marks

NEW YORK, June 4 (AP)—The stock market pushed ahead this week to within a shade of its high levels in history.

The rise wasn't spectacular by any means and it was preceded by several sessions of hesitancy. It was well founded, however, and ended most major divisions and several minor ones.

As of April 26 the market touched the highest peak on record as measured by the Associated Press average of 60 stocks at \$168.00.

The market fell moderately in what brokers felt was a consolidating reaction from its long upward pull. Two weeks ago the recovery from that fall began. It proceeded slowly and methodically.

A week ago the market hesitated before the three-day recess for Memorial day on Monday. Two more sessions passed in indecisive price movements before the market in the final week turned ahead with renewed vigor.

The Associated Press average of 60 stocks on the New York stock exchange closed at \$166.00, 20 cents under the record high.

A lot of hesitancy during the week was caused by doubts over the outcome of Ford negotiations with the United Automobile Workers union over a new contract. Late in the week the market brightened when agreement seemed near.

# Witness Stand Experience Is Unnerving, Claims Columnist

By HENRY McLEOD  
I am fresh from the witness chair in a shaky nervous state, and I am sure that you are too. I remember the judge admonishing me to speak up, and the rest of the world looking at me from the gallery.

What happened after I sat down is all jumbled in a haze of fright, and it is with difficulty that I recall a thing that happened. I remember the judge admonishing me to speak up, and the rest of the world looking at me from the gallery.

I tried to talk louder. I tried to speak up, but all I said, that one of the attorneys asked me to read a photostatic copy of a newspaper article about the trial, and I said "I had written it or not. He meant just as well have said so."

Then there was a cross-examination. I thought, but I wouldn't be sure. I have had a lot of the court, and I wouldn't surprise me to read that I was carried out on a stretcher, or that I was brought in to the apartment.

One thing will come out of all of it, though the law journal is bound to have a story about my performance. I will teach lawyers to leave me alone.

# Talk Is Given on Work for Africa

BURLEY, June 4 (AP)—Galvin Croft, who recently returned from the East African country of Tanganyika, spoke at a meeting of the Burley Kiwanis club Wednesday night.

Mr. Croft, who is a member of the Kiwanis club, spoke of his experiences in the East African country of Tanganyika, and of the work being done there.

When my name was called I didn't even hear it. I didn't know my name until a court attendant shook me sharply. I was so scared I didn't know what to do.

When I took the oath I held up my left hand, not my right, and then both hands. I was told to do so by the court attendant.

And here's the worst part—I knew what a sorry spectacle I was making of myself, but was helpless to do anything about it. The more I tried to pull myself together and the harder I tried to act as if I were calm, the more I trembled.

# Village Gives Boost in Pay

BURLEY, June 4 (AP)—The Burley village board granted wage boosts to the village employees Wednesday. The village board voted to raise the wages of the village employees by 10%.

The village board also voted to raise the wages of the village employees by 10%. The village board also voted to raise the wages of the village employees by 10%.

# Divorcees Are Granted Five In T. F. Court

Five divorce decrees were granted Friday in Twin Falls district court by Judge Hugh A. Baker.

Leona Hohnstein was granted a divorce from Henry Hohnstein and custody of their minor child. She also was awarded a 1947 Chevrolet, a house in Piler and household furnishings, costs of the suit and attorney's fees. Tom F. Alworth represented Mrs. Hohnstein.

Wanda G. White was granted a divorce from Lewellyn E. White on grounds of extreme cruelty. The court awarded her \$15 a month alimony and \$20 a month toward the support of each of their minor children. She was represented by the firm of May and May.

Irene Matignon Barker received a divorce from Charles Barker. The court restored her former name of Irene Matignon. She was represented by J. Dean Mosher.

Jeanie Adams was granted a divorce from Daniel E. Adams. She was represented by Guy L. Kinney. Woodson O. Smith received a divorce from Effie Gertrude Smith. He was represented by Max G. Lloyd.

# Panel to Meet

SHOSHONE, June 4—The city council will meet at 8 p. m. Tuesday at the city hall. City employees will be hired at that time.

At the last meeting of the council, notice was given that the employees would be hired at the June meeting and that persons wishing to make applications for jobs should submit them to the city clerk.

The city library board will meet at 7:15 p. m. Monday at the library rooms.
